School District

Maximum Number of Grades

School District Justification for Requesting an Exception to the Maximum Number of Grades

Under Commissioner's Regulations (CR) Section 15.15, instruction in grades 1-12 English as a New Language or Bilingual Education classes is two contiguous grades, except for English Language Learners in a special class, as defined by section 200.1, allows school districts to seek flexibility from this requirement on an annual basis for school districts with enrollment of fewer than thirty English language learner students. The New York State Education Department (NYSED) encourages school districts to seek flexibility from this requirement on an annual basis for school districts with enrollment of fewer than thirty English language learner students. The New York State Education Department (NYSED) encourages school districts to seek flexibility from this requirement on an annual basis for school districts with enrollment of fewer than thirty English language learner students. The New York State Education Department (NYSED) encourages school districts to seek flexibility from this requirement on an annual basis for school districts with enrollment of fewer than thirty English language learner students.

ENL or BE classes to three contiguous grades.

Note: School districts are advised to seek flexibility from this requirement on an annual basis for school districts with enrollment of fewer than thirty English language learner students. The New York State Education Department (NYSED) encourages school districts to seek flexibility from this requirement on an annual basis for school districts with enrollment of fewer than thirty English language learner students.
