The goal for the 2021-2022 school year is to maximize in-person learning and to determine the amount of learning loss that occurred over the course of the pandemic. This will be accomplished by utilizing technology to compile and analyze student data. Additionally, another cleaner was hired to keep the student environment clean and sanitary so that students could remain in school.	15:1

4. Please provide detailed summaries of investments in current year activities for ARP - ESSER funding. Click on "Add Row" as needed to include programs.

These funds were used to purchase iReady to assess student learning loss. This program was also utilized to provide a way for students to work on a device with content while they were at home on quarantine. We also purchased assessment scanning hardware and software so that Regents exams could be scanned in-district. This allowed us to have quick access to exam scores and to provide our teachers with the opportunity to better assess student needs with data.	97,455.20
These funds were used to purchase cleaning supplies, such as Oxyvir, and hand sanitizer. This allowed us to maintain clean facilities while battling the pandemic.	15,616
These funds were used to employ a full-time cleaner and pay their benefits. An additional cleaner was necessary to keep up with the demands of increased cleaning during a pandemic while allowing other maintenance staff to operate buildings safely.	63,764
