- NO, the LEA has not made changes to your approved ARP ESSER application.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

We gathered input in June 2021 through a Google survey sent out to various stakeholders after the Superintendent of Schools and Business Administrator presented our American Rescue Plan funding plans. Since then, our plan has remained unchanged in its programmatic and fiscal focus. We continue to provide information on our dedicated American Rescue Plan tab on the District website. The Superintendent also just announced at a very well-attended Board of Education meeting that our plans are on the website and any questions or comments can be made by calling (716) 751-9399. Through the use of this phone number and the Business Administrators email on a contact's page under the American Rescue Tab on our website, we will continue to gather input. If revisions are made, we will formally solicit public comment.
