American Rescue Plan (ARP) Spending Plan Reporting

1. Have you made changes to your approved ARP - ESSER application?

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

1a. Please provide a summary of those changes and the need informing those changes.

We had to purchase chromebooks for students and storage for those devices. We had a nubmer of Chromebooks not working and required them for NYSED testing in the subjects of ELA, math and science. We were waiting for our SMART Bond approval but knew that the approval process would take longer. Making an amendment to the grant afforded us the opportunity to replace these items quickly.

Also, an amendment was made to purchase outside security cameras. This change was needed because we do not have outside security cameras at this time for our building. The purpose is to keep our staff and students safe.

*Amendment mailed on June 6th, 2022.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.
