American Rescue Plan (ARP) Spending Plan Reporting

1. Have you made changes to your approved ARP - ESSER application?

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

We gathered input in Fall 2021 through a committee of relevant stakeholders including, but not limited to, parents, teachers, union representatives, administration, community members and board members. A public forum-style presentation was also made in the Fall of 2021 to seek further comment from the community at-large. Since that time, our plan has remained unchanged in its programmatic and fiscal focus. As substantive revisions are made to the plan, we will formally solicit public comment.

We continue to provide opportunities for continuous and informal public comment through our Board of Education Meetings. The district also meets regularly with teacher representatives and auxiliary representatives to gain important insights and feedback as we facilitate our program goals. As substantive revisions are made to the plan, we will formally solicit public comment.

3. Please provide a description of program goals and per pupil teacher ratios for priorities supported by ARP - ESSER funding. Click on "Add Row" as needed to include additional program goals.
