American Rescue Plan (ARP) Spending Plan Reporting

1. Have you made changes to your approved ARP - ESSER application?

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

KIPP NYC has yet not received public comment and will work to collect comments in the coming months from stakeholders and community members.

3. Please provide a description of program goals and per pupil teacher ratios for priorities supported by ARP - ESSER funding. Click on " " as needed to include additional program goals.

Program Goals	
<p>In the United States, today, only 10% of students from low-income families ultimately earn a college degree (B.A.). These students are from the communities where KIPP NYC schools are located and where current and potential KIPP students reside. A degree affords young people the ability to compete in the global economy and achieve self-sufficiency. Yet how do they get a degree if less than a quarter of them are college ready? We are deeply committed to addressing this problem and reversing these dismal statistics. Starting in Kindergarten, we make a 19-year promise of support to each and every child all the way through college and career.</p> <p>We focus on results – academic gains, socio-emotional development, career preparation skills, and the outcomes that ultimately matter most for our children: graduating from high school and college, embarking on a career, and becoming self-sufficient and happy. We work to dramatically increase the percentage of our alumni graduating from college with a B.A. degree (within six years). Our goal is to match the rate at which students in the highest income quartile complete college. We are one of the only charter school networks across the country committed to this long-term view. We have set the following additional goals for our students:</p> <ul style="list-style-type: none"> 95% graduate from high school 85% matriculate to college 75% graduate from a four-year college within six years 70% of our KIPP alumni are employed 	10:1

4. Please provide detailed summaries of investments in current year activities for ARP - ESSER funding. Click on "Add Row" as needed to include programs.
